

Purley Baptist Church

Coronavirus Crisis – 13 March 2020

Let's join together to pray

Psalm 46: 1 'God is our refuge and strength ,always ready to help in times of trouble'

Pray for:

- those living in coronavirus hotspots and for those in isolation. May they know the Lord's peace, provision and patience in the waiting
- those who are grieving, having lost love ones
- the vulnerable - the sick, frail, elderly, the poor
- those with the virus - for swift and full recovery
- all medical professionals - grant them resilience, discernment in diagnosis and compassion as they care
- medical researchers - give them unexpected breakthroughs
- governments and authorities - for wisdom and willingness to work together
- the global church - that we will bring God's hope, love and healing to our communities
- our Mighty God to heal our world, and bring His 'kingdom come'
- the Lord to protect us from the spread of the coronavirus.

Psalm 91:2 'He alone is my refuge, my place of safety; He is my God, and I trust Him'
